Dear Sir:-

We have received several catalogues from you lately, but all of them have arrived so late that there was no time to send bids on anything in the sales had we wanted to do so.

I have sent to you through the Post Office a Money Order for four Kronor, and I would request that you send to this Society the priced catalogue of your sale No. 92 December 14 and 15, 1911, two Kronor. No. 94 April 19, 1912, one kronor. and No. 95, May 30, 1912, one kronor. These should be addressed to The American Numismatic Society at the above address.

Very truly yours,

Director.

Seiner Zeit ein dankend Besitz ihres
gehrten v/ 3f. 10 teile ich Ihnen mit,
dass ich die N° 569 für Sie nicht erwerben
könnte. Der gebotene Preis war außer Frage,
denn fragl. Kupferplatten werden mit ca 100,-
kr. bezahlt. Ende dieses Monats werde ich Ihnen
meiner Auctions Katalog N° 105 zusenden, und
hoffe ich, dass Sie daraus recht viel werden
verwenden können. Es werden dann mehrere
besseren Münzen verkauft.

I was glad to receive in due time your favor of 3/10,
and I beg to answer that I was not able to get No. 569
for you. The price offered was out of the question,
for the copper plates in question are bought at about
100 Kr. At the end of this month I will send you my
auction catalogue No. 105, and I will hope that you will
be able to use a good deal of it. A number of good coins
will be then sold.

Respectfully,

D. Holmberg.

Should you obtain this lot, will you kindly send it by parcel post addressed to The American Numismatic Society, Broadway at 156th Street, New York, and at the same time mail me a bill, and I will forward the amount as soon as it is received.

Dear Mr. de Lokerborg:-

I have your letter of August 16th, and your two cards of August 13th and 16th, for all of which please accept thanks.

I will take pleasure in presenting the name of Mr. B. Holterm for Associate membership at the next meeting of the Council. While we may possibly have a meeting in September, I think it more than likely that the first meeting will be in October.

The volume of the American Journal of Sociology for 1914 is in the hands of the printer, and will probably be received here in the course of a few days. I will have a sample of advanced copies. I think it will be informative to send copies to the two libraries mentioned on your card that the price, beginning with this volume, has been increased to five dollars instead of two dollars as formerly. Should you desire the volumes sent at that price, please let me know as I will not send them until I hear from you.

I am glad to hear that you are having such a pleasant vacation and in such agreeable surroundings.

With kind regards, believe me,

Very sincerely yours,

I NOMINATE
